Burning off alone

## Verse 2

**D**                    **Am7**  
I, I'm a new day rising  
                         **G/B C**  
I'm a brand new sky  
                         **Em7**                    **D**  
To hang the stars upon tonight  
**D**                    **Am7**  
I am a little divided  
                         **G/B C**  
Do I stay or run away  
                         **Em7**                    **D**  
And leave it all behind?
